

Pre Clean Guide

PRIOR TO CLEANING:

1. Please remove all breakables from areas to be cleaned PRIOR to your appointment. This includes plants, toys, magazines, etc. (PLEASE NOTE: WE DO NOT MOVE CERTAIN ITEMS—THESE INCLUDE PIANOS, SLEEPER SOFAS, BEDROOM/DINING ROOM FURNITURE, HUTCHES, STEREOS, TV'S, ETC.)
2. We will need to park our Vehicle as close to your door as possible. Kindly move any vehicles out of the driveway or over to the side PRIOR to your appointment.
3. If we are cleaning an empty house, apartment, or high-rise, electricity and water will be required.
4. Only when excessive debris (plaster, nails, etc.) exists in your carpet, you must vacuum PRIOR to your appointment. Debris of this nature will clog the narrow 'mouth' of the cleaning wand.
5. If you need to cancel or reschedule your appointment, please try to give us as much notice as possible, to allow us to schedule another job in that time slot.
6. All work (residential or commercial) payable upon completion. Personal checks are accepted.
7. Since our hoses may require your door to remain open a few inches, please keep your dog/cat in a confined area of your home.
